

Kase Dual Bench

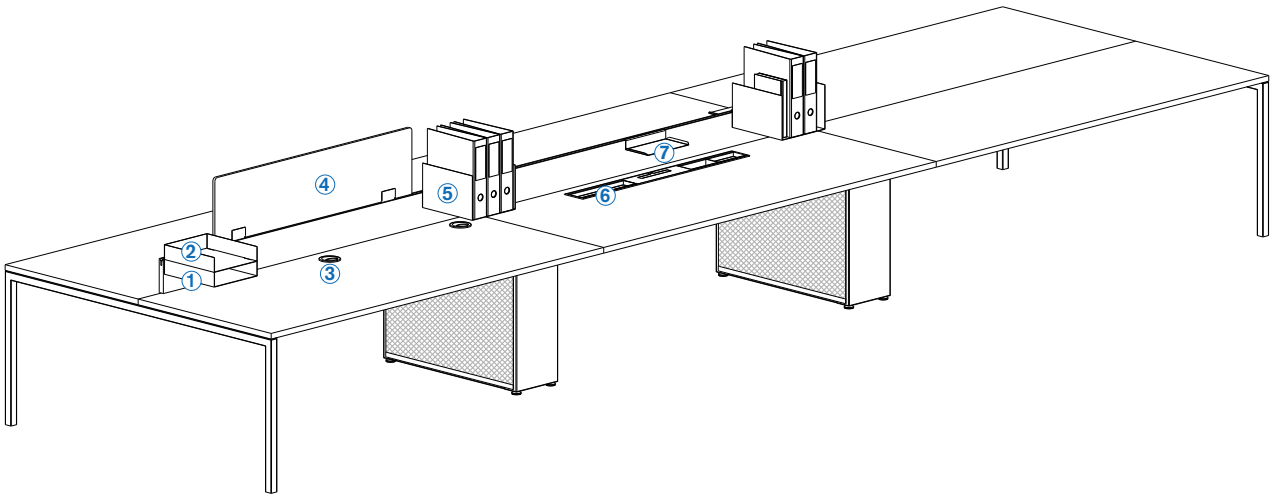

MADE HERE.

IMO

Introduction

The Dual Bench provides an uninterrupted, shared work surface to enhance communication and cooperation. Clip on accessories keep documents and tools close at hand whilst moveable screens provide privacy. Modules without a central divider can be used as a meeting or layout area.

Conceal cables and terminate power and data to the floor in the centre base. Detachable mesh panels provide easy access. All Kase Work Dual Benches come standard with a central divider and cable ports.

Desk Module Sizes
